The Chair opened the meeting and welcomed PC Sarah Clarke to the members of the public.

- **Introduction by PC Sarah Clarke who provided an update on the work being undertaken by the Police in relation to Tibberton. PC Sarah Clark specifically referred to the following matters:**

- Following comments regarding the lack of support for the Tibberton Speed Watch team and the fact that a few of the existing volunteers had resigned, it was agreed that the police will endeavour to visit the village once per month where possible to support the Village Speed Watch team. .
- A Speed watch event was held in the center of the village, on 14.12.23, from 8am to 9am. 100 cars were recorded with 2 cars exceeding the 30mph speed limit.
- C
- PC Sarah Clarke confirmed that tickets cannot be issued to drivers by using the speed watch camera.
- The number of speed offences recorded from 01/01/23 to 13/12/23 totaled 425. 332 of these drivers have received education correspondence from West Mercia Police regarding speeding.
- The inspector's report from 01/09/23 to 01/12/23 identified 3 Domestic incidents, 3 incidents for false activation at Worcester Six, 1 regarding a confused male resident, and 1 for ceasing of a vehicle with no insurance. Crimes reported were 2, 1 a dog complaint, and the other a domestic matter.
- It was noted that in addition to covering Tibberton Sarah and her team covered a total of 24 Parish Councils.

2. **Apologies.** Cllr Helen Savage & Cllr Marc Bayliss.

3. **Declarations of interest.**

None.

4. **Written requests for dispensation.**

No requests for dispensation have been received.

5. **Public forum.**

- a) To receive an update on the SmartWater kit distribution progress.
- A total of 222 kits have been received, with an initial signup of 70 packs. A group of teams, including Wychavon safer community team, West Mercia 'We don't buy Crime' team, Councillors and Neighbourhood watch coordinators have knocked on every door in the village and registered a further 70 packs. Flyers have been left at the houses that we have been unable to contact. The village is now within 3 registrations of qualifying for the grant to provide up to 12 high quality signs which will be in prominent positions around the village. This acts as a proven deterrent to would be criminals.
- b) Update regarding matters raised by Members of the Public at previous Council Meetings
- I. Bridge Signage Audit and other Highways matters: - Meeting held with WCC Highways Manager on 17 November when it was agreed that:
 - All the existing Bridge signs would be revisited to ensure they were blanked out.
 - Further temporary weight limit signs would be positioned before the Crowle turn and before the turn into Green Lane coming from Droitwich.
 - Reinstatement of the layby in front of Hillside: - extremely unlikely that this could be reinstated because it was a Highways Planning condition associated with the development of Hawthorn Rise in order to maintain good visibility for vehicles exiting from Hawthorn Rise. From a Highways perspective this is still a requirement.
 - Drainage issues: Highways have agreed to get the drains cleaned out on Plough Road opposite Court End House and to investigate whether there is a need to install an additional gully outside Old Park and Wychwood.
 - II. Concerns about speed in the Village: - Meeting was held with Cllr Marc Baylis on 1 December to consider the issues. Cllr Marc Baylis agreed to consult with his colleagues on the following matters:
 - Provision of a 40-mph buffer zone prior to the 30-mph zone at both ends of the village.
 - Increased speed monitoring by Highways at both ends of the village.
 - Provision of additional Roundel signs on the road to remind drivers of the speed limit.
 - Provision of Slow signs on the roads at locations to be agreed.
 - Cllr Sarah Harfield asked if extending the 30mph speed limit has been discussed. The Chair explained that the buffer zone was to be considered first as this was more likely to succeed due to the national regulations associated with the assessment of speed limits on all roads.
 - III. Hawthorn Rise Open Space Hedges and use by young people: - Meeting was held with Jon Hulbert, Wychavon Senior Parks & Open Spaces Officer on 7 December to discuss the issues. As a result, John has agreed:
 - To get the hedge on the Hawthorn Rise side of the open space cut to the height of the fence.
 - In principle, subject to further consultation by the Parish Council with residents, to the area being used by children for recreational activities including football and basketball/netball. The Parish Council will consult with residents regarding the use of the area as part of the consultation to take place regarding the Neighbourhood Plan in March 2024
 - IV. Hawthorn Rise Grit Boxes to be changed from green to yellow. Following a meeting with the Highways Officer it was noted that the bins

could not be changed from green to yellow because the criteria used by WCC Highways for the change would not be met. The Parish Council has recently purchased a further 4 bins to be located around the Village and will be responsible for keeping them topped up.

- V. The path under the railway bridge is really overgrown – update from Footpath Officer and Lengthsman.
 - Visit undertaken which confirmed this is not a public footpath, but a short cut. This would be the responsibility of the landowner, Mosely's Farm, to clear.
- VI. Works to footpath between Hawthorn Rise & Plough Road. Works have been completed but the PC is still awaiting a copy of the annual schedule of maintenance from Taylor Wimpey.

c) An opportunity for Parish residents to raise matters of interest or concern.

- I. Could double white lines be in place to stop overtaking. There is an increase in this happening. Chair Robbie Hazlehurst to pick this up with Barry Barnes
- II. A dangerous branch in the road, can this be looked at by the Lengthsman. This will be shared with the Lengthsman, however due to the position this is potentially a highways issue. Note: this has since been removed
- III. Trees behind village hall, what is happening about these? Chair Robbie Hazlehurst confirmed work is currently being undertaken by the landowner and that there has been a significant reduction to date. The matter is kept under review.

d) To receive a report or update from any community representatives.

- I. District Council update by Cllr Margaret Rowley
 - Wychavon Rural Grants: Another round of grants of up to £25,000 to support a range of projects that will make a difference to rural areas has been announced. Parish Councils, village hall trusts, community and public sector organisations can bid for money. The types of projects that Wychavon will support include the installation of green technologies such as solar panels and air source heat pumps, the creation of community EV charging points and the installation of insulation. Projects could also include the creation or improvement of green spaces such as community gardens and orchards or play areas. Encouraging active travel, for example by improving footpaths and installing secure cycle storage, will also be supported. Creating or improving community cultural, heritage and tourism assets such as museums, arts venues, exhibition centers, theatres, libraries, and film facilities are also eligible. More information can be found at www.wychavon.gov.uk/rural-fund and by contacting Georgie Muckle, UKSPF Support Officer on 01684 862270.
 - Local Nature Recovery Strategy (LNRS): Worcestershire County Council is working with district councils and other partners to develop a statement of biodiversity priorities and a habitat map that will become a special plan for nature's recovery across the county. It will highlight existing areas of good quality habitat and opportunities to re-create, reconnect and restore even more. A consultation on these issues which seeks views to inform the preparation of a draft strategy and the content of a local habitat map will be launched on 15th January and will run for six weeks. Further details can be found at www.worcestershire.gov.uk/LNRS

- VIII. Written update from County Cllr Marc Bayliss
Cllr Bayliss reported that:
 - The police should be attending tonight's Parish meeting. He'd reported the Parish Council's concerns about the lack of speeding enforcement in the village and expected the police to be out in the very near future to undertake some enforcement activity.
 - On the issue of speeding the Police and Crime Commissioner has just relaunched his local speed reduction funding so if the PC wishes to bid for further VAS cameras or other road safety activities, they should consider bidding for money from the fund (details can be found on the PCC's website)
 - He'd attended a meeting with the Chair of the PC to discuss local concerns and has agreed to do some work looking at introducing painted roundels at both ends of the village.
 - He'd asked county officers to take more speeding readings in the village, so we have up to date data regarding the scale of the problem.
 - He'd agreed to fund a new brown sign on Plough Road pointing the way to the new village hall.
 - He'd reported the flooding in the Plough Road ditch between Tibberton and Crowle to the Highways Manager
 - On wider issues the County Council is preparing its budget for next year which is going to be very challenging because the cost of social care is rising well above inflation.
